Officer Narrative Sheet: JAEGER, E.

Case #: 111-203441

At 1308hrs on 03-19-11, I was dispatched to Lambeau Field at 1265 Lombardi Av to speak with security there regarding a theft from 03-17-11. One of the security personnel said they had contact with a male on stadium property that they recognized from the security video of the theft. This male was with a group of males, one of which stole the backpack.

Apparently the group were soliciting signatures for a recall of a senator, and were from out of state. The security employee believed they were staying at the Roadstar Inn in Ashwaubenon. They showed me live feed from the cameras, and pointed out several people on S Oneida St that were soliciting signatures. While they were pointing out several subjects, I recognized one of them as the suspect from the date of the theft. I requested another officer, and Officer Young was dispatched to assist me.

When Officer Young arrived, we approached the suspect, who was later identified by Colorado photo ID as Brent Levi Harrell 03-11-85. I approached Brent and inquired if he was from the area. He said he was from Colorado. He explained he was in town collecting signatures, and said he was staying at the Roadstar Inn. I then went on to tell him how good the video cameras were at Lambeau field, and how detailed their pictures were. As I did this, I could see that Brent appeared extremely nervous. He began to sweat slightly. I then asked Brent if he knew why I had picked him specifically to talk to. He said he knew. I asked him to tell me why I would want to talk to him, and what he had done that he should not have. He said that as he was walking out of the stadium, he took something that was just sitting there. I asked him what he took, and he said he took a backpack and coat.

Brent agreed to take us back to his hotel, where the backpack was. He said he had given the phone that was in the backpack to a friend, Kenneth Leon Williams 10-03-72. Officer Young found Kenneth across the street, and Kenneth said the phone was in his room at the Roadstar. He claimed not to know of the theft. Kenneth agreed to retrieve the phone.

Officer Young and I transported the two back to the Roadstar Inn. Once there, Officer Young went with Kenneth and retrieved the phone. I went with Brent, and got the backpack out of room 228. One set of keys had been removed from the backpack and was sitting on a tv stand. A coat that had been in the backpack was also removed and sitting next to the backpack when I walked in the room. I took the backpack and Brent and I returned to my squad. I phoned Cpt Deuster who said I could cite and release Brent for theft.

I phoned victim Stacy Dennison. She then told me there were two sets of keys and two iPhones in the backpack at the time of the theft. I initially couldn't locate another set of keys, but later did find them. Brent called his friends, and said neither he nor they had any knowledge of another phone. He later offered to pay for a new phone, and I said that would be a civil matter between him and the backpack's owner. Brent does have a probation officer in Colorado, and I told him that if the missing phone didn't reappear, I would be calling his PO.

At this time, it appears all property has been recovered other than the missing phone. To replace the phone will cost victim Daniel Sebero approximately \$600 or \$700. When Stacy and Daniel came into the station to pick up their things, they said there was also a black Packers

polo shirt missing worth about \$50. This case can be closed with the citation issued to Brent for theft. Stacy said she would come to pick up the recovered property from the station. I photographed the property, and left it with the front desk.

**GREEN BAY POLICE DEPARTMENT
NARRATIVE SHEET**

GBPD CR-4

On Thursday, March 17, 2011, at 4:52 p.m., I was dispatched to Lambeau Field, 1265 Lombardi Avenue in reference to a theft. I was attired in full police uniform and operating a marked squad at the time I was dispatched to this call.

My call notes indicated that the complainant had set a backpack on a bench in the Lambeau Field Atrium to take pictures and it was stolen. The complainant also noted that his car keys, cell phone, and other items and necessities had been inside the backpack that was stolen. The complainant was to watch for the officers at the main Atrium door.

I arrived on scene and met my complainants, **Daniel David Sebero (12/30/86)** who resides at 1890 Liberty Street, Marinette, Wisconsin 54143 and his fiancée, **Stacy Lynn Dennison (08/26/87)** who resides at West 1734 River oaks Drive, Marinette, Wisconsin 54143. I met Daniel and Stacy Dennison and asked them to describe what had occurred.

Daniel told me that he and Stacy had come to the stadium to have some pictures taken and that they had some items of clothing and also two cell phones and car keys in a backpack. Daniel said they took some pictures inside the Atrium first at the stadium and then the photographer wanted them to go outside to take pictures so they left their backpack on a bench just inside the doors to the Atrium. Daniel told me that they were probably outside no more than 7 to 8 minutes when they discovered that the backpack was missing from the bench. Daniel went on to tell me that he did not see who had taken it and neither did Stacy.

END OF NARRATIVE

March 19, 2011

I, Stacy L Dennison 08-26-87, am taking possession of my property, which was stolen from Lambeau Field on 03-17-11 and reported to the GBPD reference report #11-203441. Property I am receiving includes a pink backpack, iPhone with white rubber cover, 2 sets of keys, identification cards, assorted clothing, black peacoat, 2 pairs of shoes, personal grooming products, and miscellaneous papers.
